Dear Members of the Latin American & Caribbean Heritage Room Committee:

In a region that derives so much of its strength from many cultures, it is fitting that we recognize the gifts people from Latin America and the Caribbean have brought to our community by establishing a Latin American & Caribbean Heritage Room in the Cathedral of Learning at the University of Pittsburgh.

Latin Americans and Caribbean people have had a profound and lasting influence on our history, values and culture. They have maintained a deep commitment to family and community and a strong work ethic, and we continue to benefit from their achievements.

I encourage government officials, educators and residents in Allegheny County to join in support of the Latin American & Caribbean Heritage Room. I commend the continued efforts to showcase and honor the culture, accomplishments and heritage of people from Latin America and the Caribbean for current and future generations.

Sincerely,

Dan Onorato  
Allegheny County Executive
